2026 Kiowa County Fair Week By Avery

The 2026 Kiowa County Fair week started Saturday, July 18. We did fair setup in the morning and had our July meeting when we got done. Saturday night was the carnival-it was a lot of fun! Sunday night was the community swimming night. Monday morning, we checked in our animals first and then our inside exhibits. Monday morning was the pet show at the Senior Center. Monday afternoon was the inside exhibit judging. Monday evening, we had a community meal, touch-a-truck and pedal pull. We also washed our animals for the shows on Tuesday. Tuesday morning was the swine show, sheep show, and goat show. It was fun leading the goats and sheep in the fun class! On Tuesday afternoon we had water kick ball. Tuesday evening there was a community meal and the beef show. Wednesday morning was Round Robin, the cinnamon roll contest, club tour, and barnyard Olympics. Wednesday evening there was a community meal and the auction. We cleaned everything up afterwards. Fair week was a lot of fun and everyone did a great job!

Thank you to everyone who helped make the Kiowa County Fair possible!

Your Community, Your Garden, Your Name!

Name the NEW Kiowa County Community Garden!

The Kiowa County K-State Extension Office is excited to announce the launch of a new community garden for Kiowa County residents. This shared space will provide opportunities to grow fresh produce, cultivate new skills, connect with neighbors, and create something meaningful together.

Before the garden officially opens, we need your help choosing a name! Residents are invited to submit ideas that capture the spirit of community, growth, and local pride.

Scan the QR code or visit the K-State Extension - Kiowa County Facebook page and use the link in our pinned post to submit your suggestion. Help us create something that truly belongs to Kiowa County. More information about the garden and opportunities to get involved will be shared soon!
